Ford 4100 4v Carburetor Screw Kit

Concours correct.

Note: There can be some differences in screw styles over the years.

This kit represents the most prevalent styles seen on original carbs and confirmed in the Ford books to the extent possible.

This kit does not include hardware for 1970-up choke pull off cover (see **376262-SK**) or 1963-64 hot idle compensator on back of air horn (see **31037-S7**, 2 required)

Kit Components:

Reference number	Fastener style	Fastener size	Quantity in kit
43256-S8	Slotted Fillister screw	#10-32 x 5/8"	8
43252-S8	Slotted Fillister screw	#10-32 x 1/2"	1
34803-S8	Split Lock Washer	#10	9
378547-S8	Slotted Fillister screw	#8-32 x 1 3/4"	3
43395-S8	Slotted Fillister screw	#8-32 x 3/4"	4
31061-S8	Slotted Fillister screw	#8-32 x 1/2"	8
43248-S8	Slotted Fillister screw	#8-32 x 3/8"	5
34802-S8	Split Lock Washer	#8	13
34656-S8	Nut ext. tooth lock washer	#10	1
33923-S8	Jamb nut	5/16"	1

Usage:	Reference number	Quantity	Notes
Carb top to bottom	43256-S8	8	
	34803-S8	8	
Secondary diaphragm cover	43395-S8	4	
	34802-S8	4	
Accelerator pump cover	31061-S8	4	no washers used
Power Valve cover	31061-S8	4	
	34802-S8	4	
Choke housing to carb	378547-S8	3	
	34802-S8	3	
Choke cover to housing	43248-S8	3	no washers used
Heater hose/choke shield	43248-S8	2	
	34802-S8	2	

Dashpot bracket to carb	43252-S8	1	Auto trans only
	34803-S8	1	
Choke fast idle screw arm	34656-S8	1	to throttle shaft
